**FOR IMMEDIATE RELEASE**

## **Breakfast4Vets: Supporting Our Nation's Heroes Through the Power of a Shared Meal**

**HYANNIS, MA** – The Massachusetts Military Support Foundation (MMSF) is proud to announce its annual Breakfast4Vets event, taking place on November 10, 2023 at 8:30am, at the Resort and Conference Center in Hyannis, MA. This heartwarming event aims to bring the community together in appreciation of veterans and their service to our country for Veterans Day, while raising funds to support the Emergency Housing 4 Veterans (EH4V) program.

### **Breakfast4Vets: A Delicious Gathering with a Mission**

At this year's event, attendees can expect a delicious breakfast spread, thought-provoking conversations, and inspiring stories shared by veterans and community leaders. By participating in Breakfast4Vets, guests will directly contribute to the EH4V program, whose mission is to provide transitional and permanent housing solutions for veterans in need.

The event aims to raise awareness about the challenges faced by veterans, particularly in securing stable housing, and to foster a supportive community for those who have dedicated their lives to protecting our nation. Breakfast4Vets is open to all who wish to join in honoring and supporting the brave men and women who have served our country.

Our new monthly program Breakfast4Vets continues monthly starting in December. We expect it to grow in popularity and impact, MMSF is committed to continuing its expanding reach while offering additional support to veterans and their families who find themselves in need of Emergency Housing through no fault of their own. The organization is actively seeking community partners and sponsors to help make Breakfast4Vets an even more powerful force for change in the lives of those who have selflessly served our nation.

### **Breakfast4Vets: Building Bridges and Strengthening Communities**

"We are incredibly proud to host Breakfast4Vets this year, and to see the positive impact it has on the lives of veterans in our community," says Dawn Roche, MMSF spokesperson. "It's a testament to the power of coming together over a shared meal and a shared cause, as we work to ensure that our nation's heroes have a place to call home."

Breakfast4Vets offers an opportunity for veterans to connect with their community, as well as local businesses and organizations that support MMSF's mission. The event has been praised by veterans for fostering camaraderie and understanding, and for providing much-needed resources to help them rebuild their lives.
