## **Massachusetts Military Support Foundation Announces 4th Annual Fishing4Vets**

### **Fishing4Vets: Reeling in Support for Our Nation's Heroes Through the Power of Friendly Competition and Camaraderie**

Sandwich, MA - The Massachusetts Military Support Foundation (MMSF) is excited to announce the fourth annual Fishing4Vets event, a charity fishing tournament designed to bring veterans and the community together for a day of camaraderie, competition, and Cape Cod's finest fishing. Taking place on June 9, 2024, this fun-filled event will raise essential funds to support our Food4Vets program, addressing the food insecurity needs of our nation's heroes.

#### **Fishing4Vets: Casting a Line for a Cause**

The Fishing4Vets tournament offers a unique opportunity for veterans to bond with fellow service members and the wider community over a shared love of fishing, while competing for bragging rights and valuable prizes. All proceeds from the event will be directed to the Food4Vets program, which aims to assist veterans and military families who may be faced with food security issues and may lack access to affordable healthy meals.

This annual event has grown in popularity since its inception, attracting veterans, fishing enthusiasts, and community members who come together to support a worthy cause. Fishing4Vets aims to raise awareness about the challenges faced by veterans, and to create a supportive environment for those who have dedicated their lives to protecting our country.

#### **Uniting Veterans, Community, and Nature**

The Fishing4Vets tournament encourages participation from veterans, their families, and the local community, fostering connections and understanding between those who have served our nation and those who support their efforts. The event has received praise from veterans for its ability to create a relaxing, enjoyable atmosphere where they can share their experiences and build lasting friendships.

"I look forward to the Fishing4Vets tournament every year," says Joe Martinez, a local veteran and tournament participant. "It's not just about the thrill of competition or the incredible fishing. It's about coming together with my fellow veterans and the community to support each other and share our stories."
